

BRIGHTLANDS GIRLS SR. SEC SCHOOL, JAIPUR HOLIDAY HOMEWORK 2019-20

Class UKG

Dear Parents,

As summer holidays are beginning soon we request you all to spend quality time with children. Please involve them in the daily activities at home.

1. Involving children in simple household activities (e.g taking care of their belongings, filling water bottles, arranging the plates etc)
2. Listening to stories with moral values
3. Involving children in more outdoor activities will help your child to become confident.
 - a) For the summer holiday project we would like you to grow one plant in the pot painted by you (you can use fevicrayl paints) water it once a day yourself and bring it along with you to school and your school will have a nice colourful garden grown by you all.
 - b) Read a story book of your choice and when you come back to school share the story with your friends and teacher.
 - c) As the temperatures are soaring, remember to put out some water for birds to quench their thirst in summers.
