

Dear parents,

As the summer holidays are ahead and the children are staying safe at home, we request you to spend quality time with your child. Please involve them in daily activities at home. A few points to remember...

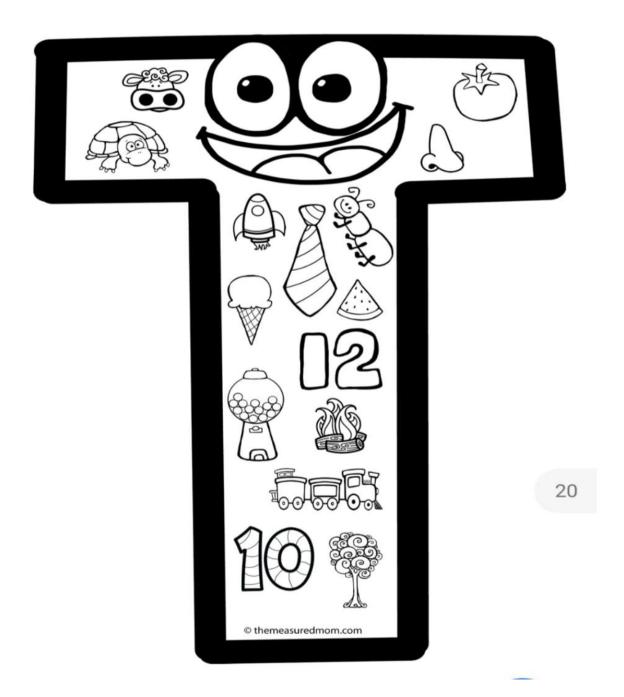

- Greet elders with namaskar/good morning and so on..
- 2) Involve children in simple household activities
 For example-: *filling water bottles ,watering the plants , arranging the plates* etc.
- 3) Listen to stories with *moral values*.

 These activities will help your child to become confident and aware.

To engage your child we are also providing some creative assignments and activities in pages given below.
